Advanced stop lines

These are designed to improve safety and convenience for cyclists. When in the advanced position cyclists can be seen by motorists, thus reducing the chance of conflict as vehicles turn left.

Beccles Cycle Map

This cycle map will provide you with the information you need to enjoy cycling in and around the town. Cycling provides a cost effective and efficient means of transport for daily trips to work, school and the local shops plus the options of leisure rides with friends and family. Using your bicycle to get around town also helps you keep fit and healthy. The map also contains a list of useful contacts to help your cycling experience.
