## TEACHERS DOING THEIR PART FOR THE BIKELIFE SUFFOLK PROJECT IN BURY ST EDMUNDS

The Bikelife Suffolk project has been running at 8 Primary Schools in Bury St Edmunds. However it's not just the pupils who are actively involved. Six teachers from Howard Primary School decided they wanted to set a good example.

These teachers wanted to be more involved with the project which is run in partnership between Outspoken! Training and Suffolk County Council. Having been role models to the students they are now biking to work every day.
