

School travel guidance

Coronavirus

Feeling unwell?

Don't travel if you feel unwell. If you have Covid-19 symptoms seek medical advice

Social distancing

Try to keep at least 2m apart, where possible. However, Social distancing is not required on dedicated transport routes.

Consider wearing a face cover

School buses
It is recommended to wear a face covering if you are age 11 or over, exemptions apply

Public service buses
Face coverings must be worn

Wash your hands

Wash your hands before and after every journey

Coughing & sneezing

Make sure you cough/sneeze into a tissue or the inside of your arm

No eating or drinking

It is unhygienic to eat or drink on the bus as this may spread germs

Boarding the bus

Have your travel pass ready when you board the bus

Only one person should board the bus at any time and make sure to listen to the drivers instructions
