This is a smaller vehicle serving very rural locations and operates for those individual pupils allocated to this vehicle. This route is therefore subject to alteration at short notice. Any new pupils or change of pupil circumstances should be conveyed to the operator.
Parents should be prepared for the return at the times shown. The departure from the school is frequently later affecting the arrival home.

If the route operates as a dedicated school bus, then changes to the route and operating times may be made at short notice to accommodate new passengers or to improve punctuality. In such cases every effort will be made to inform passengers through the company or the school.

If the route operates as a local bus service it may operate other journeys throughout the day, if this is the case passes issued by Suffolk County Council will be accepted up to 12:30 to go to College and after 12:30 to return home.

Full timetables for all local bus services are available at www.suffolkonboard.com

Stops along the route may be served by more than one bus service, passes will only be valid on the route specified on the pass.

This and all timetable information provided by SCC Passenger Transport is valid at the time of publication and is subject to change. Updated versions may be available on www.suffolkonboard.com
