This and all timetable information provided by the Education Transport Service is intended to be a guide to pupils, parents and members of the public. While every effort is made to give accurate information, it is necessary at times to make changes at short notice for operational reasons. Many locations are served by more than one bus because of the high number of pupils travelling and the need for the Education Transport Service to control pupils' allocation to buses in order to ensure buses are not overloaded. **THIS TIMETABLE IS THEREFORE INTENDED AS A GUIDE ONLY.**

If the route operates as a dedicated school bus, then changes to the route and operating times may be made at short notice to accommodate new passengers or to improve punctuality. In such cases every effort will be made to inform passengers through the company or the school.

Full timetables for all local bus services are available at www.suffolkonboard.com
